

HB 808 -- Sunset Provisions Related to Education (Funderburk)

COMMITTEE OF ORIGIN: Committee on Elementary and Secondary Education

Currently, the State Board of Education issues a teaching certificate based on certification by the American Board for Certification of Teaching Excellence (ABCTE). The authorization for this type of certificate expires August 28, 2014. This bill removes the sunset date.

The bill also repeals the termination date of July 1, 2013, on certain alternative retirement allowance provisions, commonly referred to as "25 and out" and the "31st year factor" of the Public School and Public Education Employee Retirement Systems.
